

Harriet Ha-Sidi

I became a UU in 1969 in Freeport, Long Island prior to dedicating my first child. When we moved out East, I became a very active member of UUFSB in Stony Brook, NY. There I served on the Board, the Social Justice Council, the Racial Concerns Committee, the Finance Committee, and the choir. I also served as a Worship Associate and a Welcoming Assistant among other things.

When I became a snowbird in St, Petersburg in 2002, I joined UU St. Pete where I served as Social Justice chair. I was also a member of the Finance Committee and served frequently as a Worship Associate.

After moving to Seminole, I started coming to UUC in 2011 but I didn't become a member until 3 years later when I had the honor of representing UUC for the first of two times. Here I have been a member of the Social Justice Council. I formed the Migrant Justice team which I chair. We have supported the CIW in their many initiatives and actions as well as distributing rice & beans and distributing blankets to the farmworkers in Plant City.

I am presently serving a one-year term on the Board to replace Margie Manning who stepped up to become our president. I would be honored to remain on the Board for a full term.
