

C h e r y l B r o w n
Music Coordinator

Cheryl has lived in Florida since 2014. Her mission at UUC is to 'bring a spiritual awareness' through music. Before arriving in Florida, Cheryl was a school music teacher in Chicago for twenty-five years and also taught piano.

While living in Chicago, she was a professional pianist for weddings and country clubs. Cheryl has a B.M. Degree in Performance and an M. A. degree in Music Education.

I forgot to write at the end: Cheryl's son, Connor, a musician, lives in Austin, Texas.

The best way to reach Cheryl is by email: music@uuc.org
