

New Member Profile – Susan Adger

Susan joined UUC in January 2024.

How long have you lived in this area? Where did you live before that?

My family's been in Hillsborough County for generations and I've been in Dunedin since 1978. When I was a child we moved almost every year - all in the southeastern US.

What is your religious background?

I grew up in the Methodist church but I'm an atheist.

What is (or was) your professional background?

I'm retired but worked in social services for many years.

Why did you decide to join UUC?

I joined UUC because I brought my children there many years ago when they were small and we all enjoyed it.

What hobbies and interests do you have?

I've published a few books and continue to be active with writing groups.

What would you like us to know about your family and/or pets?

My three children all live near me and I see them frequently, which I consider a real gift.

Welcome Susan!
