

Kelly Tew

Kelly Tew grew up in no one hometown. As a child of Air Force parents, she has lived on 1 planet, in 2 countries, 7 states, 15 cities, and over 35 bedrooms. When pressed, Kelly will tell you she is from Texas, but only because that's where she first kissed a boy and where she graduated from high school. (These occasions were not connected.) She lives in St. Pete and is trying desperately to move back to Largo. Keep your fingers crossed for her. Currently, Kelly works as a copywriter for a software company in Palm Harbor and prays every night they won't make her go back to working in the office; after all, none of those clothes fit anymore.

Kelly and her children, Asa and Sammy, have attended UUC since she finally got a job that gave her weekends off in 2015. She finally — and officially — became a member in 2020. Kelly has served on the RE Committee, RE Search Committee, been a member of the Parent Covenant Group, and for a time, joined the Writer's Group. She is honored to serve on the Board of Trustees.
