

## Lore' Eargle, Secretary

Lore' Eargle awakened to life in Tacoma, Washington. Her father's military service sent the family of five to California, Puerto Rico, South Carolina, Texas, Wyoming, and finally to Florida. After graduating from high school in Orlando, Lore earned a B.A. in psychology, an M.A. in counseling psychology, and then an A.S. in Computer Engineering. In March 2022, Lore retired from 20 years of work at Nielsen, the "TV ratings company." At Nielsen, she worked as a technical writer and scrum master. In total, she wrote software/hardware manuals, procedures, and a variety of other documents for almost 30 years.

Her spiritual path began in the Lutheran faith. During her freshman year at UCF, she became "unchurched" and later explored a variety of faith experiences before finding her way to Unitarian Universalism in 2001. At UUC, she has co-facilitated Welcoming Congregation and OWL (Our Whole Lives) classes as well as Non-violent Communication (aka NVC or Compassionate Communication) and co-led a Covenant Group. She has served on the Making Peace team and Social Justice Committee. Currently, she is a FAST network team leader and serves on the Open Issues Committee as the Zoom master.

After a peripatetic life, she settled in the Tampa Bay area in 1981. She met Ray Williamson in 1993 and they married in 2006 at UUC. She and Ray live in New Port Richey with their two black cats, Bubble and Squeak. They enjoy cooking, traveling, and watching movies together. Now that Lore has retired, she is resuming long-neglected hobbies and starting new ones.
