

John Fraser, President

My wife Diana and I have been members of several UU congregations for about 54 years starting at UUC in 1969. We returned to UUC for good about 24 years ago even though we live in St. Petersburg. Over the years, I have served as a Religious Education teacher, church board member, fellowship president, media team member (8 yrs.), media coordinator (2 yrs.), UUC Endowment Foundation board member (10 yrs.), Foundation investment committee member (2+ years), and chair of the UUC nominating committee. I also continue to serve as a member of the endowment trust for the UU Fellowship of Franklin NC even though we are no longer summer members since selling our nearby home in 2021.

I graduated from the University of South Florida with honors in 1974 after 10 years of night classes while working full-time in management positions. I received a BA in Business Administration with a major in marketing. During my career, I worked in various management positions for over 40 years for both large and small corporations.

I love UUC and I am excited about the opportunity to be part of its continued growth and rebuilding along with the help of our many dedicated volunteers!
