Rev. Amy Kindred

What's Possible?

With all the realities associated with climate change, how do we function in a healthy way? How do we manage our eco-anxiety?

Our Vision: An inclusive religious community, a beacon for reason, meaning and bold social action.

Our Mission: To celebrate dignity and respect for all, nurture lifelong spiritual growth, act for justice and equality, and serve the wider community.

Call to Worship

"We gather here as individual People"
By Barbara Holway
Delivered by Judy Toth

Chalice Lighting

"We seek steadiness"
by Joan Javier Dival
Delivered by Rob Thoresen

As the world shifts beneath us
We seek steadiness
The unwavering support of community
The principled guidance of wise teachings,
The faithful turning of the seasons

We seek within ourselves and in one another
A devotion to all that is true.
All that is just, all that is beautiful
We gather here to ground ourselves
And to reorient toward our hearts calling.
Here we hold onto what is good, what we believe and what we must do.
With resolute and compassionate hearts, let us worship together.

Building Bridges between our divisions,
I reach out to you, will you reach out to me?
With all of our voices and all of our visions,
