

New member profile: Judy Toth

Judy became a member of UU Clearwater in April 2023. She already has become a Worship Associate and volunteered to make coffee for the social hour. Her last name rhymes with “both”.

Background

I was born in Washington, D.C. and lived in the Maryland area until 5 years ago when I made Florida my permanent home.

Family

I have four grown children and 7 grandchildren and two adorable great-grandchildren. My son Brian and his wife just came to visit and loved the beach and how relaxed people are here!

Life work

I graduated from American University and Montgomery College. I became a Leader at the Washington Ethical Society for fifteen years. A leader is a minister. We were affiliates of the UUA. I was called to the St. Louis Ethical Society to be the Senior Leader there and I left after seven years to retire and move back to Maryland and my family. There I started a second career teaching preschoolers and subbing for 8 years.

Personal

I live with my partner, Kathy, and my red fox coonhound, Emma. I love to read, garden and paint using watercolor and acrylics. I was so glad to find UU Clearwater, which has a warm welcoming group of folks and a wise and inspiring minister named Amy.
