*Annual Water Ceremony at UUC*

The Water Ceremony in Unitarian Universalist communities is a cherished ritual. Many UU congregations up north celebrate the return of families after the summer months. At UUC, we recognize the many who join our community in the winter months. Bring a small container of water from a favorite place or representing a beloved water source to add to the communal bowl. It's ok if you forget. You may pour a small amount from a pitcher we will provide.

**Our Vision:** An inclusive religious community, a beacon for reason, meaning and bold social action.

**Our Mission:** To celebrate dignity and respect for all, nurture lifelong spiritual growth, act for justice and equality, and serve the wider community.

**Chalice Lighting**

"The Wisdom that Hums Beneath"  
Written by Rev. Michelle Collins  
Delivered by Michael Kahn

We light this flame for the wisdom that hums beneath thought  
in our heartbeat, our breath, the subtle flutter that says: you are still here.  
We light this chalice to remember resilience begins  
in the body's quiet language whispering us along

**Hymn 123 "Spirit of Life"**

Spirit of Life, come unto me.  
Sing in my heart all the stirrings of compassion.  
Blow in the wind, rise in the sea;  
move in the hand, giving life the shape of justice.  
Roots hold me close; wings set me free;  
Spirit of Life, come to me, come to me.

**Hymn 128 "For All that is Our Life"**

For all that is our life we sing our thanks and praise;  
for all life is a gift which we are called to use  
to build the common good and make our own days glad.

For needs which others serve, for services we give,  
for work and its rewards, for hours of rest and love;  
we come with praise and thanks for all that is our life.

For sorrow we must bear, for failures, pain, and loss,  
for each new thing we learn, for fearful hours that pass:  
we come with praise and thanks for all that is our life.

For all that is our life we sing our thanks and praise;  
for all life is a gift which we are called to use  
to build the common good and make our own days glad.
